4: LED light rejuvenation

Price: \$289.00

Feel Better. Look Better. Live Better

VISIA® Skin Analysis

An advanced multi-spectral imaging system that captures high-resolution images to evaluate skin health at both the surface and subsurface levels. VISIA quantitatively measures concerns such as UV damage, pigmentation, texture, porphyrins, wrinkles, and vascular conditions—providing a comprehensive baseline for personalized treatment planning and progress tracking.

LIGHT & LASER TREATMENTS

BBL (Broadband Light)

Targets sun damage, pigmentation, redness, and signs of aging. A study by Stanford University showed that after BBL treatments, your genes express themselves at an age younger than they actually are! An initial series of 3-5 is recommended. For long term antiaging, we recommend 4 times per year.

PRICE:

Full Face: \$439.00

Chest: \$439.00

Legs: \$900.00

Neck: \$329.00

Back: \$639.00

Hands: \$200.00

+Forever Clear BBL

Broadband Light procedure for addressing symptoms of active acne. The BBL uses a combination of blue, yellow, and infrared light to eliminate bacteria, reduce inflammation, and promote the body's natural healing process to clear acne

From teens struggling with hormonal acne to adults experiencing adult-onset acne, our Forever Clear BBL is effective for patients of all ages and most skin types. The number of Forever Clear treatments needed will depend on the severity of your active acne and acne scars. Most patients require a series of 4 to 6 sessions to start, with quarterly or semi-annual visits after that.

Price:

Face: \$250.00

Chest: \$350.00

Back: \$450.00

Halo

Halo is the world's first ablative and non-ablative combination laser. The Halo gives the results of laser resurfacing without the extended downtime. It is the most effective treatment for overall skin rejuvenation including dramatically improving sun damage, vascularity, wrinkles, enlarged pores, acne scars, etc. (Deposit required to book a treatment)

Halo Full Face: \$1599.00

Neck: \$799

Arms: \$1599.00

Chest: \$839.00

Back: \$1750.00

Hands: \$529.00

PRP Treatment Enhancer: \$400

Woodlands Medical Aesthetics Institute | info@thewmai.com | 936-273-9053

LIGHT & LASER TREATMENTS CONTINUED

Laser Hair Reduction

We use the industry leading Sciton laser system to provide highly effective and comfortable laser hair reduction treatments. All our lasers are operated by highly trained technicians. We will recommend anywhere from 6-12 depending on the area of the body and the color of the hair. Maintenance treatments can be scheduled usually 1-2 times a year after you have completed your initial series of treatments to maintain long term hair reduction.

Face: \$149.00	Neck: \$169	Full Legs: \$499.00
Underarms: \$129.00	Upper Lip: \$79	½ Legs (Knee down): \$299.00
Back: \$459.00	Chin: \$79.00	Forearms: \$219.00
Full Brazilian Bikini: \$259.00	Bikini: \$159.00	Full Arms: \$319.00

Remember: Please shave the area of treatment the day of your appointment. No tanning beds, self-tanners, or sun exposure 2 weeks prior to treatment.

Microneedling

State-of-the-art microneedling device designed to improve skin texture, tone, and firmness. It creates controlled micro-injuries in the skin to stimulate collagen and elastin production, enhancing the absorption of topical serums. Safe for all skin types, it's ideal for treating fine lines, acne scars, and overall skin rejuvenation with minimal downtime.

Face: \$400	Chest: \$400	Neck: \$199.00
PRP Treatment Enhancer: \$400.00		

Vein Therapy

Sclerotherapy + Laser

Utilizing both sclerotherapy and laser, we have the ability to treat a wide variety of leg, facial, and body veins and vascular lesions.

Minimum Charge: \$225.00	Trapped Blood Removal: \$100.00
30-minute session: \$450.00	

SKIN TIGHTENING & CONTOURING TREATMENTS

Tixel

Our most sought-after treatment! Tixel is not only a top choice among our clients- but Woodlands Medical Aesthetic Institute was the first in the area to introduce this device and proudly serves as a training facility for other providers. It is a noninvasive skin resurfacing using thermo-mechanical energy. It works by creating controlled micro-injuries, which stimulates collagen production and skin renewal. This process helps to improve skin texture, tone, and appearance, and can be used to treat various skin concerns like fine lines, wrinkles, acne scars, and pigmentation. We do recommend a series of 3, one month apart.

(Deposit required to book a treatment)

Face and Neck: \$1500.00	Perioral: \$600.00	Chest: \$749.00
Neck: \$600.00	Periorbital: \$600.00	Hands: \$599.00

Ulthera/ Ultherapy

We offer the approved device Ulthera for the actual lifting of the brow, face, and neck. Safe for all skin types. Ulthera utilizes a highly focused ultrasound to deposit energy in the area of the skin with the highest concentration of collagen. The Ulthera treatment is noninvasive and there is no downtime. This treatment is ideal for those who do not want a surgical procedure but want lifting and tightening of aging skin.

(Deposit required to book a treatment)

Full Face: \$3300.00	Upper Face: \$1500.00	Lips: \$500.00
Neck Add On: \$500.00	Chest: \$1500.00	Brow: \$750.00
Lower Face: \$2500.00	Full Neck: \$2000.00	Eyes: \$400.00

BODY SCULPTING & CONTOURING

Classic Emsculpt

Builds muscle and burns fat using high intensity focused electromagnetic technology.

Price: \$750.00 per treatment

EON Body Contouring

We were the first in The Woodlands to offer the touchless robotic laser body contouring device, the EON—designed to target stubborn fat in the abdomen, flanks, thighs, and back for effective reduction

Price: \$750.00

Feel Better. Look Better. Live Better

HAIR & SCALP THERAPY

Hair Restoration with PRP

Uses platelet-rich plasma to stimulate natural hair growth and density.

Price: \$1000.00

Keravive Scalp Treatment

A deep-cleansing, hydrating facial for the scalp that promotes healthy hair growth.

Full scalp: \$450.00 (includes our peptide spray)

Partial Scalp: \$350.00 (includes our peptide spray)

Keravive + PRP

Combines Keravive with PRP injections for enhanced scalp and hair revitalization.

Package of 3 Full Keravive and 3 PRP: \$4500.00

Package of 3 Partial Keravive and 3 PRP: \$3000.00

Theradome® Laser Hair Therapy

A clinical-strength, FDA-cleared laser helmet that promotes hair regrowth by stimulating follicles, increasing blood flow, and extending the hair growth phase—all from the comfort of home. Ideal for thinning hair and early hair loss.

Price: \$895.00

* Included with all Hair Restoration Package purchases

HydraFacial Keravive® Scalp Health Spray

A daily at-home spray designed to extend and enhance the results of your in-office Keravive treatment. Packed with growth factors and nourishing ingredients, it supports a healthier scalp and promotes fuller, thicker-looking hair.

Price: \$90.00

* Included with all Hair Restoration Package purchases

Nutrafol® Hair Growth Supplements

Physician-formulated, natural supplements that target root causes of thinning hair such as stress, hormones, and aging. Backed by clinical studies to improve hair growth, strength, and overall scalp health.

*Prices vary depending on product

INJECTABLES & ENHANCERS

At Woodlands Medical Aesthetics, we're proud to have some of the most skilled and experienced nurse injectors in the industry. With over 40 years of combined experience, our team includes a Master Injector who serves as both a Galderma Collaborative trainer and an international CPP trainer. Our injectors are committed to staying at the forefront of the field by continually participating in advanced training and hands-on labs.

We believe that *"the best injectable is the least detectable,"* and our team delivers natural, beautiful results with that philosophy in mind

Neurotoxins (Botox, Daxxify, Dysport)

Smooths fine lines and wrinkles by relaxing targeted facial muscles.

Price: Botox, Dysport, and Daxxify are each dosed differently, but are carefully priced so the cost per treatment area remains consistent across all options.

Dermal Fillers

Restores volume and enhances facial contours using hyaluronic acid-based products.

Price: \$600-\$800 per syringe

Biostimulator (Sculptra)

Stimulates natural collagen production for long-lasting volume and skin firmness.

Price: \$750 per syringe

Platelet Rich Plasma (PRP) Therapy

Platelet-Rich Plasma (PRP) therapy for the full face harnesses your body's natural healing power to refresh and rejuvenate the skin. By injecting PRP across the entire face—including the forehead, cheeks, under-eyes, and jawline—it boosts collagen, smooths fine lines, improves tone and texture, and restores a healthy, youthful glow with minimal downtime.

PRP Full Face: \$1250.00

PRP Upper Face: \$700.00

Vampire Facelift®

The Vampire Facelift® is a non-surgical cosmetic procedure that combines dermal fillers with Platelet-Rich Plasma (PRP) to lift, plump, and rejuvenate the face. First, a hyaluronic acid filler is used to restore volume and contour, then PRP is injected to stimulate collagen, improve skin texture, and enhance overall tone. This treatment gives natural-looking results, restoring youthful fullness and radiance with little to no downtime

Price: \$1500.00

Feel Better. Look Better. Live Better

WOODLANDS MEDICAL AESTHETICS INSTITUTE WELLNESS PRICING

Feel Better. Look Better. Live Better

SEXUAL WELLNESS

Sexual wellness is a key component of our comprehensive wellness program at Woodlands Medical Aesthetics Institute. Dr. Johnny Peet played a pivotal role in developing the handpiece for the **diVa vaginal rejuvenation** treatment and actively trains other medical professionals on its use across the U.S. He also serves on the board with Dr. Runnels and offers both the **O-Shot** and **P-Shot** here in our office.

Dr. Peet has been a long-standing partner with **Sciton**, frequently speaking on sexual wellness and showcasing the diVa technology as part of the Sciton platform.

FEMALE SEXUAL WELLNESS

Diva

Laser vaginal therapy to improve tone, lubrication, and overall vaginal health.

Price: \$1250.00

Diva + O-Shot

Combines laser therapy with PRP injections to enhance sexual sensation and rejuvenation.

Price: \$2500.00

O-Shot (Orgasm Shot)

PRP injection that enhances sensitivity and improves symptoms of sexual dysfunction in women.

Price: \$1500.00

Emsella

Non-invasive pelvic floor strengthening chair to improve urinary incontinence and sexual function.

Price: Package of 6 treatments \$799.00

Maintenance (Available after initial series) \$139.00

Recommended Treatment Schedule for diVa® and O-Shot®

- **diVa Vaginal Laser Therapy**

A series of **3 treatments spaced 4–6 weeks apart** is typically recommended for optimal results. Many patients benefit from **an annual maintenance treatment** to sustain improvements in vaginal health, lubrication, and tightness.

- **O-Shot**

Most patients notice improvement after **1 treatment**, but some may benefit from **a second treatment after 6–12 months**, depending on individual results and concerns like urinary incontinence, vaginal dryness, or sensitivity. **Yearly maintenance** is common for continued benefits.

MALE SEXUAL WELLNESS

Emsella

Non-invasive pelvic floor strengthening chair to improve urinary incontinence and sexual function.

Price: Package of 6 treatments \$799.00

Maintenance (Available after initial series) \$139.00

P-Shot (Priapus Shot)

PRP injection designed to improve erectile function, sensitivity, and size in men.

Initial Treatment with Pump Price: \$1900.00

Treatment without a Pump: \$1500.00

ESWT (Extracorporeal Shockwave Therapy) (Post P-shot)

Enhances results by stimulating blood flow, promoting tissue regeneration, and supporting improved erectile function.

Price: \$300.00

Bocox

Botox-based treatment aimed at improving erectile function and vascularity in men.

Price: \$1000.00

Phallofill

PhalloFILL® is a non-surgical penile enhancement treatment that uses injectable dermal fillers to increase girth, improve symmetry, and enhance overall appearance. The procedure is minimally invasive, performed in-office, and typically involves little to no downtime. Results are immediate and can be customized to meet individual aesthetic goals. (Deposit required to book a treatment).

*Pricing varies based on the number of fillers used and individual goals; a consultation is required.

P-Shot® (Priapus Shot)

Typically, **1–2 treatments spaced about 8–12 weeks apart** are recommended initially, depending on the patient's goals and response. Maintenance treatments can be done **once a year** to sustain results in sensitivity, firmness, and overall sexual function

Bocox

Treatments are recommended every 6 months, depending on individual results and Depending on your individual results and how long the effects of BOCOX last for you, a follow-up treatment may be recommended around the 4-month mark.

WELLNESS & HORMONE OPTIMIZATION

Welcome to the Woodlands Medical Aesthetics Institute Weight Loss Program. We were one of the first in the area to launch this program back in 2022. Since then, GLP medications have become a widely used and highly effective tool for weight loss—especially when combined with proper nutrition, regular exercise, and hormone optimization

Weight Loss with GLP

Medical weight loss using GLP-1 agonists to help manage appetite and metabolism.

Price: starting at \$100 a week, and/or \$650 a vial for take home use
(varies by dose and medication)

NAD+ Injections

Boost cellular energy, support brain function, and promote overall wellness by replenishing levels of NAD+ — a vital coenzyme involved in metabolism and aging. Often used for increased energy, mental clarity, and recovery

Price: \$289-\$325 varies by dose

Natural Defense IV

It's a high-dose vitamin C infusion combined with essential nutrients to strengthen the immune system, fight off illness, reduce inflammation, and boost overall wellness. Ideal for recovery and immune support

Price: \$250.00

EBOO (Extracorporeal Blood Oxygenation and Ozonation) (Deposit required to book a treatment)

An advanced detoxification and immune-boosting therapy that filters your blood outside the body, infuses it with medical-grade **Ozone (O₃)** and **UBI (Ultraviolet Blood Irradiation)**, then returns it—cleansed and revitalized. This powerful combination supports cellular healing, reduces inflammation, and enhances overall wellness.

Price: \$300–\$1,500

Pricing varies based on the length of treatment and level of detoxification required. A personalized consultation will determine the best protocol for your needs, requiring packages of 3

Feel Better. Look Better. Live Better

Bio-Identical Hormone Replacement Therapy

Find out how you can Feel Better, Look Better, and Live Better!

Our Bioidentical Hormone Wellness program is led by Dr. Johnny Peet, who began offering hormone therapy as early as 2014. Since then, he has become a national trainer for medical providers starting in hormone therapy and now serves as a lead trainer with the Evexipel group, welcoming providers from across the U.S. for in-depth training.

Widely regarded as a hormone expert, Dr. Peet works alongside a highly skilled team, including our Nurse Practitioners who also participate in provider training and certification for pellet insertion procedures.

Customized hormone therapy to restore energy, mood, libido, and vitality.

\$375.00 plus office visit charge for Females

\$675.00 plus office visit charge for Males

*We do accept insurance for the office visit portion of your visit at our Gynecology office; we also offer insurance for your lab draw.

Joint Injections with PRP

Platelet-Rich Plasma (PRP) joint injections reduce inflammation, supports tissue repair, and improve mobility. Ideal for treating mild to moderate joint pain, arthritis, and overuse injuries naturally and effectively.

*We offer a variety of rejuvenation options—personalized recommendations will be provided at your consultation.

Labiaplasty

A delicate surgical procedure that reshapes or reduces the labia minora for improved comfort, appearance, and confidence. Labiaplasty can address physical discomfort, enhance symmetry, and support overall vaginal wellness with natural-looking results.

* A consultation is required prior to scheduling the procedure.

Feel Better. Look Better. Live Better

Package Pricing & Bundled Savings

We offer exclusive package pricing on all our services. Choose any 4 or more services and receive 15% off when prepaid.

You may also combine skincare products in your package—2 skincare products equal 1 service. For example, you can mix 3 services and 2 products or 2 services and 4 products to qualify for the 15% discount.

Please note: Some specialty treatments are already offered in pre-set packages and are not eligible for additional discounts. These include the following:

- **Emsella**
Pelvic floor strengthening for incontinence and core health.
Package of 6 treatments – \$799.00
- **Emsculpt**
Non-invasive body contouring to tone muscle and reduce fat.
Package of 6 treatments – \$1,999.00
- **diVa Vaginal Therapy**
Laser treatment for internal and external feminine rejuvenation.
Package of 3 treatments – \$3,250.00
Package of 3 + 1 O-Shot – \$4,500.00
- **ESWT (Extracorporeal Shockwave Therapy) package of 6** - \$1530.00
- **Keravive Scalp Treatments**
Hydrafacial technology to cleanse, exfoliate, and nourish the scalp. All packages include the Peptide Complex Spray.
 - **Full Package (3 treatments)** – \$1,195.00
 - **Partial Package (3 treatments)** – \$895.00
 - **Full Package + PRP (3 of each)** – \$4,500.00
 - **Partial Package + PRP (3 of each)** – \$3,000.00
- **Hair Restoration with PRP**
Platelet-rich plasma therapy to stimulate natural hair growth and improve scalp health.
Package of 4 treatments – \$4,000.00
- **Hair Restoration with PRP + Theradome**
Includes 4 PRP treatments plus a Theradome laser helmet to enhance and extend results.
Package of 4 PRP treatments + Theradome – \$4,200.00
